#### MOTION #1

Ruhnke (PU) moved and Ryan (JO) seconded <u>to approve the consent</u> agenda as presented. There was no discussion on the motion.

\*Motion carried by roll call. Ayes: 9 Nayes: 0 Abstentions: 0 Discussion: a. Update, Mt. Carroll, and North Chicago projects

Coulter (PrairieCat) stated we are continuing to move forward with both Mt. Carroll and North Chicago. PrairieCat just received our project manager for North Chicago. We will be working with Emanual from Innovative, who we have worked with before.

Coulter also gave an update on Lostant's progress, saying they are doing well adding materials. According to PrairieCat's rules, when a library has added a quarter of their materials, they are required to start placing holds. However, because Lostant only has one employee to work on this, we are afraid they will fall behind on adding materials if we require them to place holds at this time. Coulter asked the Council if it would be ok to delay Lostant's requirement of placing holds. The Council agrees Lostant will not have to place holds until Fiscal Year 2023.

### VI. Administrative Issues

- a. Welcome new members and recognize departing members Coulter (PrairieCat) welcomed the new Administrative Council members, Kelly McCully (BD) from Bourbonnais Public Library and Kim Brozovich (RP) from Rock Island Public Library. Emily Faulkner (DK) and Laura Watson (HC) were congratulated on starting their second term on the Administrative Council. Coulter thanked Emily Porter (BY) and Patricia Smith (RO) for their service on the Administrative Council
- b. ACTION: Elect officers and appoint check signers Emily Faulkner (DK) has agreed to serve as Chair. The Council nominated Ashley Huffines (FP) as Vice-Chair; Laura Long (EM) as Secretary; and Victoria Blackmer (CV) as Treasurer. The Council appointed Beth Ryan (JO) as chair of the Resource Sharing Committee.

#### MOTION #2

Ruhnke (PU) moved and Porter (BY) seconded <u>to approve the</u> <u>Administrative Council Officers, Faulkner (DK) as Chair; Huffines (FP) as</u> <u>Vice-Chair; Long (EM) as Secretary; and Blackmer (CV) as Treasurer;</u> <u>Ryan (JO) Resource Sharing Chair</u>. There was no discussion on the motion.

\*Motion carried by roll call. Ayes: 10 Nayes: 0 Abstentions: 0 Discussion:

c. ACTION: Approve Meeting dates

#### MOTION #3

Ryan (JO) moved and Bryant (PT) seconded <u>to approve the FY23</u> <u>meeting dates as presented</u>. There was no discussion on the motion.

\*Motion carried by roll call. Ayes: 10 Nayes: 0 Abstentions: 0 Discussion: d. Review closed session recordings for possible release or deletion (after 18 months)

Coulter (PrairieCat) stated PrairieCat's only closed session recording is from June 2020. This closed session is the director's yearly performance review. The Council agrees to delete the June 2020 closed session.

e. ACTION: Approve change to General Policy Manual regarding system membership requirement for ILL barcode program Coulter (PrairieCat) mentioned that after a recent review brought on by an inquiry from a non-RAILS library, it was noticed that our ILL Barcode policy in the General Policy Manual does not specify that a library must be a member of the appropriate library system to participate. It is suggested to bring the General Policy Manual in line with the circulation manual (as well as the original intent of the policy) by specifying RAILS/system membership requirement for participation.

Long (EM) asked if we should specifically name RAILS or simply say statewide system. Porter (BY) suggested leaving it specifically RAILS, saying if a library from another state system wants to buy a barcode, the Council can reassess at that time. The Council agrees to keep the wording specific to RAILS.

### MOTION #4

Porter (DK) moved and Watson (HC) seconded <u>to approve change to</u> <u>General Policy Manual regarding system membership requirement for</u> <u>ILL barcode program</u>. There was no discussion on the motion.

\*Motion carried by roll call. Ayes: 10 Nayes: 0 Abstentions: 0 Discussion:

f. Discussion: reinstating compliance rules for FY23

Smith (PrairieCat) stated that twice a year, usually in August and February, we review member compliance. We look at lending materials, OCLC membership, and item entry. PrairieCat also requires the Delegates to attend at least two of the four Delegate Assembly's and at least one of those attendances has to be inperson, if a library does not meet this requirement, they can be fined \$150. Because of the Pandemic, PrairieCat has been reviewing the compliance reports, but has not been enforcing the compliance rules. Should these rules be enforced again in Fiscal Year 23?

Faulkner (DK) stated that as long as Zoom attendance counts for quorum, PrairieCat should not enforce the in-person attendance. However, if Illinois goes back to requiring an in-person quorum, PrairieCat should then enforce in person attendance for the Delegates Assembly meetings. The Council agrees to only require in-person attendance when in-person quorum is required. PrairieCat will also begin enforcing compliance rules for Fiscal Year 2023.

g. IGA for upgrade from BO to FP, Hinckley Public Library Coulter (PrairieCat) said, due to an increased budget, Hinckley Public Library must upgrade from Basic Online to a Fully Participating membership. The Council agrees to recommend upgrading Hinckley Public Library to Fully Participating to the Delegates Assembly. VII. Vote to Adjourn to closed session pursuant to 5 ILCS 120/2: the appointment, employment, compensation, discipline, performance, or dismissal of specific employees of the public body

## **MOTION #5**

Ruhnke (PU) moved and Faulkner (DK) seconded <u>to adjourn to closed session</u> <u>pursuant to 5 ILCS 120/2: the appointment, employment, compensation,</u> <u>discipline, performance, or dismissal of specific employees of the public body</u>. There was no discussion on the motion.

\*Motion carried by roll call. Ayes: 10 Nayes: 0 Abstentions: 0 Discussion:

The Council entered the closed session at 10:42 am and ended it at 11:06 am.

- VIII. Ad Hoc Committee Updates
  - Resource Sharing Committee Report from 5/18/2022

In order to better assess the needs of the membership, PrairieCat will be sending survey only to those who expressed interest an IT cooperative proposal from PrairieCat Plus.

- IX. Review of Meeting what worked and what didn't The meeting went well.
- X. Public Comments There were no public comments

| Subject: | PrairieCat Financial Report – May 2022 |

Please find attached the PrairieCat Financial Reports for the month of May 2022. The attached statements include the Cash Report, Balance Sheet, Statement of Revenues and Expenses, and Check Register for the period of May 26 through June 15.

As of May 31, of the total cash balance of \$1,420,429, \$824,208 was undesignated working cash, \$581,667 was designated for capital reserves, and \$14,554 was eCommerce receipts payable to the membership. Cash decreased \$19,905 during the month of May primarily due to payroll and payroll-related expenses as well as April's credit card expenses.

The balance of working cash was sufficient to fund 5.5 months of budgeted FY2022 operating expenses, and the capital reserves amount could fund an additional 3.9 months of budgeted operating expenses. The \$503,759 principle of PrairieCat's CD would be sufficient to fund an additional 3.4 months of budgeted operating expenses.

Total revenues through May of \$1,677,248 were above budgeted amounts mostly due to the addition of the Marengo-Union membership fees (\$3,550 quarterly), which were included in the budget at the lower Union List membership level (\$906) to allow for some uncertainty with their go-live date at the Fully Participating membership level. The reimbursement revenues are also above budget due to one-time system set-up fees for Marengo-Union (\$6,400). The Fully Participating and Basic Online Capital Reserve Contribution account are above budget from the one-time capital reserve contribution from Mount Carroll (\$3,500). These above budget revenues were partially offset by a decrease in the expected renewals for the member curbside subscriptions. The curbside subscription revenues do not add to PrairieCat's net asset balance since they are completely offset by the corresponding vendor expense recorded in Information Service Costs.

Total year-to-date interest as of the end of May was \$5,642, which was \$1,517 above the year-to-date budgeted amount of \$4,125. The IL Funds interest rate began to rise in October and has continued to rise since, with the daily rate at .979% as of June 16. As of August 7, 2021, PrairieCat renewed the CD with Bank Orion for 12 months at a .50% rate. The Federal Reserve raised interest rates in March (.25%), May (.50%), and June (.75%). They are expected to raise interest rates .50% at their meeting in

220 W. 23<sup>rd</sup> Avenue Coal Valley, IL 61240 (877) 542-7257 http://support.prairiecat.info September with an expected rate goal of 2% by the end of the calendar year. Prior to January 2022, the interest rates were not expected to increase until July 2022. The Federal Reserve needs to raise interest rates cautiously to avoid causing a recession.

Total expenses through May of \$1,536,336 were \$102,062 below budget mostly due to under budget Personnel costs (\$49,891), Contractual Services expenses (\$21,666), Professional Services costs (\$5,097), Supplies, Postage and Printing costs (\$4,647), Travel and Continuing Education costs (\$4,280), Vehicle expenses (\$4,188), and nearly every other cost category. Personnel expenses were under budget mostly due to delayed hiring for the Systems Coordinator position, lower than budgeted retirement benefits since the IMRF rate was unavailable at the time that the budget was finalized, and no unemployment insurance expenses through May. Contractual Services expenses are under budget mostly due to the credit for the mobile worklist product and lower than budgeted curbside subscription renewals. Travel and Continuing Education is expected to increase due to the purchase of discounted ILS training for PrairieCat staff that is being paid for with the credit from Innovative Interfaces for six months of its mobile worklist product. Professional Services costs are under budget due to a lower than budgeted need for legal services through the first three quarters of the fiscal year. Travel and vehicle expenses are expected to rise with the return to in-person member and governance meetings. Supplies, Postage, and Printing costs were under budget due to lower than expected computer supplies and subscription expenses through the first portion of the fiscal year.

Re: Investment Funds Analysis

**Background:** PrairieCat has historically maintained an interest-bearing checking account with Bank Orion, the balance of which is currently \$1,423,897 as of June 8, not including the annual Innovative Interfaces payment and other invoice payments totaling approximately \$400,000. The current rate of earnings on the checking account is .30% which is .05% above the current rate offered by Bank Orion for money market accounts.

As of December 2019, the PrairieCat Administrative Council decided to open an account with Illinois Funds due to the combination of attractive interest rates (then at 1.72%) as well as the liquidity of a money market account that is also considered fully secured under the Illinois Public Funds Investment Act. In March of 2020, the Federal Reserve lowered interest rates to zero in an effort to protect the economy from the impact of COVID-19. Unfortunately, the interest rate at Illinois Funds fell since those actions and is only becoming attractive again in recent months.

When interest rates at Illinois Funds fell below the rate offered at Bank Orion, the PrairieCat Finance Committee and Administrative Council directed that the balance of the Illinois Funds account be transferred back to Bank Orion leaving a remaining balance of \$176.36 to keep the account open for future flexibility should interest rates rise. To increase investment earnings, PrairieCat staff reached out to several banks regarding investment options, and the ultimate recommendation and decision of the Finance Committee and Administrative Council was to open a \$500,000 12-month Certificate of Deposit (CD) with Bank Orion at .75%. This investment amount was based on PrairieCat's need to maintain a \$500,000 minimum balance in the checking account to qualify for the interest rate of .30%, and the need to have a target liquid balance of \$650,000 to cover operational expenses.

This first CD matured, and it was determined that renewing the CD at a rate of .50% was the best option, given the declining outlook for interest rates. The current CD with Bank Orion once again matures on August 7, and PrairieCat staff have reached out to Bank Orion and researched Illinois Funds' current rates.

220 W. 23<sup>rd</sup> Avenue Coal Valley, IL 61240 (877) 542-7257 http://support.prairiecat.info **Analysis:** Given our history of research into financial institutions that can comply with the Illinois Public Funds Investment Act, it seemed most expeditious to check for a CD renewal rate with PrairieCat's current bank, Bank Orion, as well as interest rates at Illinois Funds to compare options:

| Bank/Investment Group<br>Name | <u>12-month CD @</u><br>\$700,000 | Money Market<br>Account                                  | <u>Collateral</u>  |
|-------------------------------|-----------------------------------|--|--|
| Bank Orion                    | 0.50%                             | .30% for balances<br>at or above<br>\$500,000            | Backed by pledged securities                                     |
| Illinois Funds                | N/A                               | .935% and<br>currently rising<br>with the market<br>rate | Fully insured per the<br>Illinois Public Funds<br>Investment Act |

Please note that Illinois Funds interest rates are adjusted daily and float with the market. Assuming the checking account balance is left with \$500,000 at the point of any investment decision and the pattern of spending for this next 12 months is identical to FY22, the checking account balance would be expected to fluctuate between \$500,000 and \$800,000 over the course of the next 12 months. It is possible, if the expenses differ from last year's amounts and patterns, that the checking account could dip below \$500,000 for a short period of time, in which case the interest rate on the checking account for that period would fall to .20%.

**Considerations:** During times of very low interest, Bank Orion has stably maintained their interest rates. PrairieCat is currently earning above the money market rates on their checking account.

The rates on money market accounts can change by the hour but reports from the Federal Open Market Committee indicate that they are expected to raise interest rates by .50% at their September meeting. Their expected end of calendar year rate goal is 2%. The Federal Reserve needs to be cautious about raising interest rates too fast during a period of rising inflation to avoid throwing the country into a recession.

**Recommendation:** Interest rates are rising market-wide and are expected to continue to rise. Lockingin interest rates in a CD right now, given current knowledge of the Federal Reserves' projections of interest rate increases, would seem to lock PrairieCat in at a rate that would remain below market rates. Our recommendation would be to move a total of \$700,000 from Bank Orion to Illinois Funds for the higher interest rates. The CD would be redeemed upon maturity in August, and these funds would be moved prior to that to take advantage of the higher rates. This would leave a large enough balance to cover expenses before the quarterly member fees begin to come in. We have been assured by Bank Orion that we would still earn the .30% rate, and they would contact us if that changed. As a precautionary statement, this does not rule out the possibility that the interest rate outlook could change very rapidly, but with the liquidity that the Illinois Funds offers, the opportunity to re-evaluate investment options is always open.
