

Looking to encourage adoption of your **Capira<sup>SM</sup>** app to your patrons? We've created a series of assets for you to leverage. Choose which design best complements your brand. A flier and a self-service station how-to are coming soon.

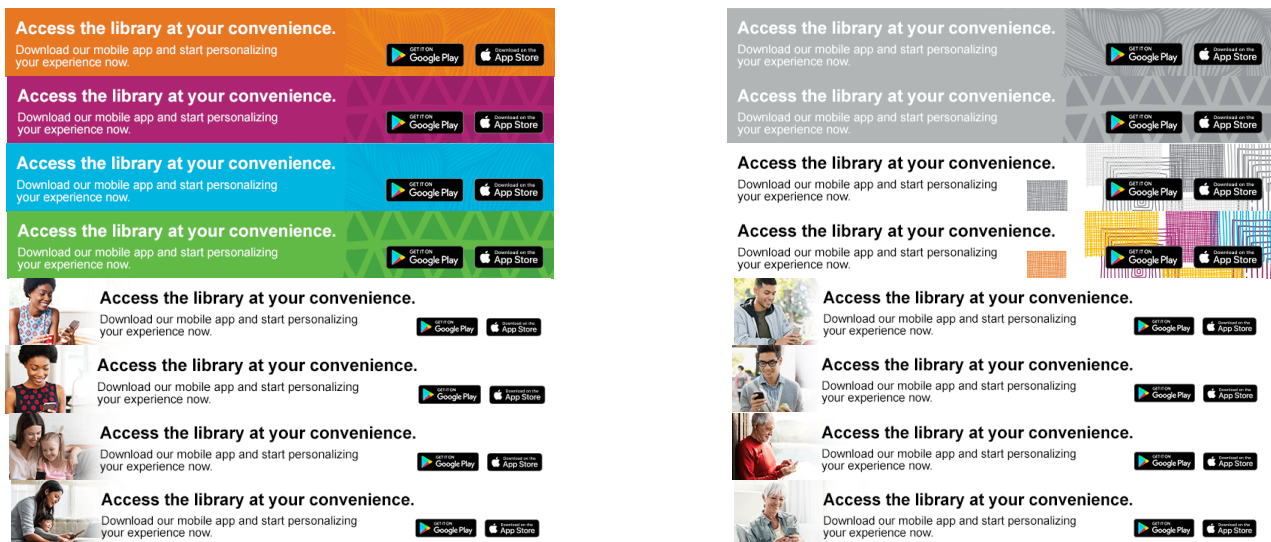

**Social media:** Link the post to the url where they can directly download the app (on your site, Google Play or the App Store).

**Post copy:** Have you used our mobile app yet? You can access a digital library card, search for materials, place holds, cancel holds, manage your account, renew items, get notifications for upcoming events and more.

## Designs:

**Web sliders:** Post on your website and link directly to the page to download the app (on your site, Google Play or the App Store).

**Web banners:** Post on your website and link directly to the page to download the app (on your site, Google Play or the App Store).

**Access the library at your convenience.**
