The Council shall issue a charge for each committee and shall select a committee chair and committee members based on factors such as geographical distribution, library type, library size, and other such factors. Committee members cannot delegate their duties to any other individual. All such committee meetings will be conducted in conformance with the Illinois Open Meetings Act. Administrative Council Committee membership rosters will be posted on the PRAIRIECAT website.

The Administrative Council shall review the committee structure for PRAIRIECAT annually and make any needed changes or new appointments. Details on Standing Groups and Administrative Council Committees are delineated in the General Policy Manual.

DIRECTOR The PRAIRIECAT Director shall be the Chief Operating Officer of PRAIRIECAT and shall be responsible for administering the policies adopted by the Administrative Council, supervise the total operation of PRAIRIECAT, and serve as advisor to the Administrative Council and the Delegates Assembly. The PRAIRIECAT Director shall develop the program, implement the long-range plan, make

recommendations to the Administrative Council for hiring and evaluating the personnel and independent contractors, purchase materials, and undertake such other activities as may be necessary for the operation of PRAIRIECAT, subject to the policies established by the Administrative Council.

The PRAIRIECAT Director shall attend all Administrative Council and Delegates Assembly meetings. At each regular meeting of the Administrative Council the PRAIRIECAT Director shall prepare and present a listing of all bills to be paid subject to the approval of the Administrative Council. The PRAIRIECAT Director shall report directly to the Administrative Council.

PRAIRIECAT shall keep at its principal office a record giving the names and addresses of the members of the Administrative Council. All books and records of PRAIRIECAT may be inspected by any Member Library or member of the Administrative Council, or the agent or attorney thereof, for any proper purpose at any reasonable time.

ARTICLE XI – SERVICES TO MEMBERS

Subject to the terms and conditions set forth in the Intergovernmental Agreement and in conformity with the provisions of these Bylaws, PRAIRIECAT shall, on a uniform and nondiscriminatory basis, provide each Member Library on active membership status in PRAIRIECAT with cooperative library application computer services and automation services, including but not limited to software designed to meet the specific needs of the Member Libraries. The Administrative Council of PRAIRIECAT shall take all necessary and appropriate actions so as to enable PRAIRIECAT to provide such computer and automation services, including causing PRAIRIECAT to enter into one or more contracts with third parties for such services.

ARTICLE XII - MEMBERS AND MEMBERSHIP

SECTION 1. MEMBERS. Any library that agrees to the terms and conditions of an agreement with PRAIRIECAT may be admitted to membership in PRAIRIECAT, but only upon compliance with the following conditions:

- a. The new Member Library must be a member of a regional library system and a member/subscriber of PRAIRIECAT's chosen bibliographic records provider.
- b. The addition of the new Member Library requires approval by the affirmative vote of two-thirds (2/3) of all Representatives of the Delegates Assembly.
- c. The new Member Library shall sign a copy of the Intergovernmental Agreement for the purpose of acknowledging its commitment to assume the rights and

fulfill the responsibilities of membership in PRAIRIECAT, and shall transmit to the Secretary of PRAIRIECAT a certified copy of the document approved by such new Member Library providing for the execution of the Intergovernmental Agreement and the signed Intergovernmental Agreement.

- d. The active membership of such new Member Library shall become effective on the date on which its bibliographic or patron records are first loaded into the PRAIRIECAT database.
- e. If the financial impact of the new Member Library will cause a disproportionate increase in costs on existing Members, admission may be conditioned on the applicant Library bearing such increase in costs.

For purposes of these Bylaws, the members of PRAIRIECAT are referred to as "Member Libraries." The terms "Member Libraries" and "Member Library" include each new Member Library as of the effective date of its active membership in PRAIRIECAT.

SECTION 2. LEVELS OF MEMBERSHIP. There are the following levels of membership in PRAIRIECAT:

- A. Fully Participating Members
- B. Basic Online Members
- C. Union Listing Members

Membership levels, fee structure and eligibility shall be determined, on an annual basis, by the Administrative Council and set forth in the General Policy Manual. The Administrative Council will annually review the criteria and make recommendations to the Delegates Assembly as part of the budget approval process.

SECTION 3. TRANSFER OF MEMBERSHIP. Membership in PRAIRIECAT is not transferable or assignable.

SECTION 4. RESPONSIBILITIES OF MEMBER LIBRARIES. Each Member Library shall comply with such other reasonable rules and regulations as may be established by PRAIRIECAT for the administration of the ILS as well as all policies of PRAIRIECAT that have been established by the Delegates Assembly and/or Administrative Council. In the event that any Member Library shall fail to conform to such standards, the PRAIRIECAT Executive Committee shall investigate and shall report its findings and recommendations to the PRAIRIECAT Administrative Council for such action as the Administrative Council may determine to be appropriate pursuant to Article XIII below.

Each Member Library shall comply with the confidentiality requirements contained in any Sales Agreement and Maintenance Agreement or any other agreement entered into by PRAIRIECAT with any vendor. The compliance required of each Member Library shall include signing any confidentiality documents and observing any other requirements designated by PRAIRIECAT in writing. In addition, each Member Library shall be individually responsible for any breach or violation of the

confidentiality requirements by such Member Library, whether occurring during the term of the Member Library's membership in PRAIRIECAT or thereafter.

SECTION 5. CHANGE OF MEMBERSHIP TIER. A Member Library may choose to participate in a different membership tier than that in which it is currently enrolled, if it is eligible to do so in accordance with the PRAIRIECAT General Policy Manual. A Member Library that seeks to change its membership tier in PRAIRIECAT must provide written notice to PRAIRIECAT at least 180 days in advance of the next fiscal year in accordance with the Intergovernmental Agreement. Additionally, the Member Library must execute a new Intergovernmental Agreement indicating its new membership tier at least 180 days in advance of the next fiscal year in accordance with the Intergovernmental Agreement. The Intergovernmental Agreement and change of membership tier must also be approved by the Delegates Assembly in accordance with Article XI and in accordance with the PRAIRIECAT General Policy Manual. Each Member Library is required to pay all outstanding financial obligations in accordance with Appendix A and Appendix B of the PRAIRIECAT General Policy Manual.

SECTION 6. TERMINATION OF MEMBERSHIP. A Member Library that seeks to terminate its membership in PRAIRIECAT must provide written notice to PRAIRIECAT at least 180 days in advance of the next fiscal year in accordance with the Intergovernmental Agreement. Each Member Library is required to continue to pay all outstanding financial obligations even after the termination date.

SECTION 7. REINSTATEMENT. A library whose status as a Member Library has terminated may be reinstated by applying for admission as a new Member Library, as set forth in Section 1 of this Article. Such reinstated Member Library shall pay its share of the costs of new equipment and services purchased by PRAIRIECAT subsequent to the termination of such Library's membership status, said share to be determined according to the policies of PRAIRIECAT as in effect at the time of such reinstatement.

ARTICLE XIII - TERMINATION OF MEMBERSHIP

SECTION 1. OBLIGATIONS UPON TERMINATION OF MEMBERSHIP. A Member Library terminating its membership in PRAIRIECAT, as provided in Section 5 of Article XI above and in the Intergovernmental Agreement, shall continue to be fully obligated for all payments and other duties owed by such Member Library to PRAIRIECAT.

Each terminating Member Library must comply with the then-current PRAIRIECAT protocols with respect to the terminating Member Library's data conversion and related tasks.

SECTION 2. RIGHTS UPON TERMINATION OF MEMBERSHIP. A Fully Participating or Basic Online Library may request, at its expense, that PRAIRIECAT copy and remove the terminating Library's patron file, circulation records, and copy and remove the Library's entries in the bibliographic database. These charges will be limited to: vendor or consultant charges, if any, and/or charges for PRAIRIECAT or its agents work. Because the bibliographic database is primarily OCLC derived,

negotiations between the Library, PRAIRIECAT and its agents, and OCLC will be conducted to determine if a per record copy fee needed to be assessed.

Title to system hardware and software, except for equipment owned solely by the Library shall be held by PRAIRIECAT as long as the Intergovernmental Agreement is in effect. The individual bibliographic and patron records of the Library shall remain the property of the Library. The use of the database in the system will be subject to guidelines established by the Delegates Assembly.

ARTICLE XIV - ENFORCEMENT PROCEDURES

SECTION 1. COMPLIANCE WITH POLICIES AND PROCEDURES. If a Library appears to be in noncompliance with PRAIRIECAT policies or procedures, a hearing shall be arranged within thirty (30) days from the time of written notice of noncompliance. At the hearing the Library shall discuss the issue with members of the Administrative Council. Hearing results shall be reported in writing to the Delegates Assembly within thirty (30) days.

The Administrative Council shall make the final determination of noncompliance and shall specify a time frame within which a non-complying Library must complete corrective action. If noncompliance has resulted in expense, the Administrative Council shall assess the non-complying Library for the amount of this expense. If the Library does not accept the Administrative Council ruling, it must request within ten (10) days after the ruling that this issue be dealt with as a "dispute" as set forth in Section 2 below.

When an Administrative Council ruling on noncompliance is undisputed or after a dispute concerning such a ruling has been resolved in favor of the Administrative Council, the ruling on noncompliance shall be binding for the non-complying Library. Failure of the Library to reach compliance within the time frame specified by the Administrative Council shall result in immediate suspension of participation in the automation project, including denial of access of the Library's logons to the database.

The failure of the Library to reach compliance within ninety (90) days after the date of suspension shall be considered voluntary withdrawal from this agreement. As specified in Article XII, contractual payments shall be required from the Library until the end of the contract year.

SECTION 2. DISPUTES. Disputes may arise concerning violations of PRAIRIECAT policies and procedures or concerning the terms of the Intergovernmental Agreement or these Bylaws. In the case of any dispute between the Library and PRAIRIECAT regarding payments hereunder, the Library shall pay the billing according to the terms above. These and all other disputes shall be resolved as set forth in this article. The Library's account shall be appropriately adjusted, and credited with interest, if a financial dispute is resolved in favor of the Library.

Disputes relating to violations of policies and procedures shall be subject to mediation. All procedures concerning such violations outlined in Section 1 above must be followed before such a question will be dealt with as a dispute. Disputes concerning the terms of this agreement shall be heard by the Administrative Council. After the

Administrative Council has ruled on issue, the Library that does not accept the ruling may request within (10) days that the issue be presented to the Delegates Assembly.

When disputes cannot be resolved by the methods outlined above, a mediator acceptable to both parties to the dispute will be chosen. The cost of mediation, should such cost be incurred, shall be borne equally by the disputing parties. If both parties are not satisfied by the results of mediation, arbitration shall be pursued.

When mediation is not successful in resolving a dispute, the dispute shall be submitted for binding arbitration to the American Arbitration Association according to its current rules and regulations. The cost of arbitration, should such costs be incurred, shall be borne equally by the disputing parties.

Disputes concerning the terms of these Bylaws shall be heard by the Administrative Council. Rulings of the Administrative Council may be appealed to the Delegates Assembly. Decisions made by the Delegates Assembly are final.

ARTICLE XV – AMENDMENT OF BYLAWS

Amendments may be proposed in writing by the Administrative Council, the Delegates Assembly, or by a group representing at least one-third of the member libraries. Any proposed amendment must be discussed at an Administrative Council meeting (and must have appeared on the agenda for the meeting) before being distributed to all Members for their consideration.

The Bylaws may be amended, altered, added to or repealed upon the affirmative vote of two-thirds (2/3) of the Delegates Assembly, at any regular or special meeting of the Delegates Assembly, provided that notice of the proposed amendment, alteration, addition or repeal is given in writing to the Member Libraries ten (10) days prior to such meeting.

ARTICLE XVI – NOTICES

C. If any claim or action not covered by insurance is instituted against a PRAIRIECAT Administrative Council member or employee of PRAIRIECAT arising out of an act or omission occurring within the scope of his or her duties or authority, PRAIRIECAT shall at the request of them:

1. appear and defend against the claim or action; and
2. pay or indemnify the PRAIRIECAT Administrative Council member or employee for a judgment and court costs based on such claim or action, provided there shall be no indemnification for any portion of a judgment representing an award of punitive or exemplary damages; and
3. pay or indemnify the PRAIRIECAT Administrative Council member or employee for a compromise or settlement of such claim or action providing the settlement is approved by the PRAIRIECAT Administrative Council.

D. The term "PRAIRIECAT Administrative Council member or employee" shall include former PRAIRIECAT Administrative Council members and employees. This indemnification resolution shall not apply if the PRAIRIECAT Administrative Council finds that the claim or action is based on malicious, willful or criminal claim or action is based on malicious, willful or criminal misconduct. A. Indemnity. The Grantee agrees that RAILS shall not be liable in relation to and does hereby hold harmless and indemnify RAILS, all RAILS officials, officers, employees, agents, representatives, consultants, and attorneys, from any and all claims that may be asserted at any time against any of them in connection with (i) RAILS' review and approval of the Project; (ii) the payment of the Grant Amount; or (iii) RAILS' assent to the terms and provisions of this Agreement and the Grantee's Project.

B. Defense Expense. The Grantee shall, and does hereby agree to, pay all expenses, including without limitation legal fees and administrative expenses, incurred by RAILS in defending itself with regard to any and all of the claims referenced in Article 7.A of this Agreement.

C. Limited Liability. RAILS does not assume any liability for acts or omissions of the Grantee and such liability rests solely with the Grantee. Without limiting the generality of the foregoing:

- (1) RAILS' review of the Application and assent to the terms and provisions of this Agreement do not, and shall not, in any way, be deemed to insure the Grantee, or any of its heirs, successors, assigns, tenants, and licensees, or any other Person, against damage or injury of any kind at any time.
- (2) Any specification, description, or objective in this agreement concerning the operation of the Integrated Library System ("ILS") is a statement of the understanding of the parties as to the design and service objectives of the ILS, and does not create an express or implied warranty that the ILS does or will always continue to operate as described.
- (3) Notwithstanding any other provision of this agreement, neither RAILS nor its officers, board members, employees or agents shall be liable to or through the LLSAP members for any damages, including but not limited to direct, indirect, incidental or consequential damages sustained or incurred in connection with the performance or nonperformance of services under this agreement, and any amendments thereto, or the provision, use or operation of the ILS or services provided pursuant to this agreement and any amendments thereto, regardless of the form of action and whether or not such damages are foreseeable.
- (4) Neither party to this agreement, including their officers, board members, employees and agents, shall be liable in any way for delays, failure in performance, loss or damage due to force majeure conditions or causes beyond such party's reasonable control.
- (5) Any action in law or in equity arising from or in connection with any matter under this agreement must be brought within two years after the cause of action has accrued, except claims for damages which may be covered under the Illinois Tort Immunity Act.
- (6) Except as set forth expressly in this agreement, no warranties, express or implied, including warranties of merchantability or fitness for a particular purpose are made by RAILS.
- (7) The terms and conditions in this Article 7 shall survive the termination of this agreement.

Article 8: Applicable Law. This Agreement shall be governed in all respects by the laws of the State of Illinois. In compliance with the United States and Illinois Constitutions, the Illinois Human Rights Act, the United States Civil Rights Act, and Section 504 of the Federal Rehabilitation Act and other applicable laws and rules, RAILS does not unlawfully discriminate in the awarding of grants or any other activity.

Article 9: Notices. All notices required under the terms of this Agreement shall be in writing, and delivered electronically, in person, or by certified or registered mail with return receipt to the above-referenced addresses of the parties hereto. A party may change its address by notice in the manner prescribed in this Article.

Article 10: Breach. Any breach of this Agreement by the Grantee will allow RAILS to terminate this Agreement without penalty, and to seek enforcement of this Agreement by suit, action, mandamus, or any other proceeding in law or in equity, including without limitation specific performance to compel the performance of this Agreement. Unless expressly provided to the contrary in this Agreement, each and every one of the rights, remedies, and benefits provided by this Agreement shall be cumulative and shall not be exclusive of any other rights, remedies, and benefits allowed by law.

Article 11. No Third Party Beneficiaries. No claim as a third party beneficiary under this Agreement by any person or entity shall be made, or be valid, against the RAILS or the Grantee.

Article 12: Certification. The Grantee does hereby ratify and adopt all assurances, statements, descriptions, representations, warranties, covenants, and agreements submitted to RAILS and referred to in this Agreement. The Grantee certifies that all information in the Agreement is true and correct to the best of the Grantee's knowledge, information, and belief; that the grant funds shall be used only for the services to its members as described in this Agreement; and that the award of grant funds is conditioned upon said certification.

Article 13: Insurance. Grantee will provide all insurance for its employees (if any) and will procure insurance that covers all equipment it owns against risks of loss or damage for an amount equal to the replacement cost of the equipment. RAILS will provide all insurance for its employees and will procure insurance for all equipment and vehicles that it owns against risks of loss or damage for an amount equal to the replacement cost of the equipment or vehicles. Each entity will provide workers compensation for its own employees. Grantee is not covered by any RAILS cyber security insurance policy, and may decide to procure its own if it wishes.

Article 14: Amendments; Waivers. This Agreement and the rights created by this Agreement may not be amended, modified, or waived in any respect except by written agreement expressly referring to this Agreement and duly and validly authorized, executed, and delivered by the Parties.

Article 15: Relationship of the Parties. RAILS shall act as an independent contractor with respect to the provision of the services pursuant to this Agreement. Nothing in this Agreement is intended, or shall be construed or applied, to create the relationship of principal and agent, employer and employee, partners, or joint ventures between RAILS and Grantee. No employer/employee relationship shall be created by this Agreement between Grantee and any RAILS employee providing services under the terms of this Agreement.

Article 16: Severability. The provisions of this Agreement are severable if any paragraph, section, subdivision, sentence, clause, or phrase of this Agreement is for any reason held to be contrary to law or contrary to any rule or regulation having the force and effect of law; such decision shall not affect the remaining portions of this Agreement. However, upon the occurrence of such event, either Party may terminate this Agreement forthwith, upon the delivery of written notice of termination of the other Party.

Article 17: Entire Agreement. It is understood and agreed that the entire agreement of the Parties is contained herein and that this Agreement supersedes all oral agreements in negotiations between the Parties relating to the subject matter hereof.

Article 18: Successors. This Agreement shall be binding upon successors of the Parties.

Article 19: Authority. Each of the Parties to this Agreement represents and warrants that it has the full right, power, legal capacity, and authority to enter into and perform its respective obligations hereunder and that such obligations shall be binding upon such Party without the requirement of the approval or consent of any other person or entity in connection herewith.

Article 20: Execution in Counterparts. This Agreement may be executed in counterparts. Facsimile signatures shall be sufficient.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed as of the Execution Date.

Appendix D – COST

RAILS Service	RAILS Budgeted Cost
Financial services	\$53,078.00

For the services provided by Grantee (as set forth in Appendix B), RAILS shall pay \$527,062.00 to Grantee in FY2026. This represents the Grantee's total support allocation (Appendix C), less the budgeted cost of the RAILS service(s) listed above.

This amount may be adjusted by mutual written agreement between RAILS and Grantee at least ninety (90) days before the adjustment takes effect.

Payments will be made by RAILS in equal quarterly installments, on or immediately following July 1, October 1, January 1, and April 1.

FY2026 RAILS LLSAP Support Grant Application

Local Library System Automation Programs (LLSAPs) are invited to apply for support from RAILS via an annual grant award process. Support is provided through direct financial support and/or services. If RAILS services are provided, the cost of providing those services will be calculated and deducted from the LLSAP's financial award. Total support to LLSAPs will not exceed the amount of the allocation as determined by the support formula. Funding is contingent on the availability of state funding.

LLSAP Definition

LLSAP is a term used statewide and rooted in historical relationships between the regional library systems and consortia. 23 Ill. Adm. Code 3030 states: "Local Library System Automation Program means an integrated library system open to membership by full library system members of all types developed by or receiving financial or in kind support from a library system." To foster resource sharing and make a library management system affordable for any interested member library, RAILS' goal is to support shared catalog consortia in its service area. To enrich existing relationships while promoting collaborative ventures with new partners, the RAILS Board has approved this definition of LLSAPs:

Local Library System Automation Programs are shared library management systems that are supported by RAILS and that are open to membership by all types and sizes of RAILS member libraries. All LLSAPs affiliated with RAILS:

1. *Support members whose primary service point is within the RAILS service area (Although non-RAILS members may belong to an LLSAP, they will not be included in allocation of RAILS support.)*
2. *Operate in a reciprocal contractual partnership with RAILS*
3. *Are supported by RAILS through in-kind and/or financial support*
4. *Maintain policies that broaden resource sharing throughout RAILS' service area*
5. *Foster cooperation to support RAILS' mission and to make library management systems affordable for every interested member library in RAILS, regardless of type or size*
6. *Work together to ensure the ability of all LLSAPs to meet the needs of their members, to increase the use of shared online catalogs by RAILS members, and to develop services that will further resource sharing throughout RAILS by providing staff, technical expertise, and assistance when needed*

Eligibility

Consortia in the RAILS service area meeting the criteria outlined in the LLSAP Definition are invited to apply for this grant according to the requirements, timeline, and procedures outlined below. Eligibility requirements are rooted in the LLSAP definition, and include:

1. Newly formed consortia will not be eligible unless RAILS agrees a new consortium is in the best interests of the communities served.
2. The consortium must demonstrate commitment to resource sharing within and beyond the consortium in a multitype library environment.
3. The consortium must be open to growing its membership.

How to Apply

1. Complete the attached application form.
2. Complete the webform and two linked spreadsheets at https://railslibraries.org/form/railcar_fy26.
3. Assemble required documentation.
4. Submit application package via email to Anne Slaughter, RAILS Director of Technology Services (anne.slaughter@railslibraries.org). Please combine multiple PDFs into one file.

Timeline

Final timing of some steps may be subject to change based on several factors, including approval of RAILS' application for its funding via the Illinois State Library Area and Per Capita (APC) grant, and RAILS Board actions that may affect LLSAP funding. Funding is contingent on the availability of state funding.

September 16, 2024	Application package due to RAILS
September—October 2024	RAILS reviews grant applications and determines awards
October 2024	RAILS responds with award letter and grant agreement
January 31, 2025	Signed grant agreements due to RAILS

Support Grant Allocation Metrics

Each fiscal year, RAILS budgets a set amount for support grants to LLSAPs, defined as financial support and/or services, and allocates that grant funding according to a formula. LLSAPs opting to receive financial support only will receive their entire allocation disbursed in quarterly payments. If the LLSAP opts to receive any services, the cost of providing those services will be deducted from its allocation, which could result in the LLSAP making cost-recovery payments to RAILS. RAILS does not place restrictions on how LLSAPs use financial support received from RAILS, provided that the LLSAP can demonstrate the benefit to the consortium or its member libraries, and that the financial sustainability of the LLSAP is enhanced.

Review the formula and instructions and complete the form below so RAILS can determine your consortium's grant funding allocation.

Data Collection

RAILS routinely collects key data about your consortium as a part of this application. This data helps us determine your grant award via the support formula above, and also supports our ongoing work with and understanding of RAILS LLSAPs, including via the newly developed RAILCAR data project. This data collection includes a webform and two separate spreadsheets provided via links within the webform. Login to the RAILS website is required to access the form.

RAILS' fiscal year is defined as July 1–June 30. Provide data for this period when possible, or use your consortium's fiscal year period. We will use data provided previously to calculate three-year averages for the formula where specified. Some of the terms are defined on the next page for consistency.

[RAILCAR Data \(Webform\)](#)

RAILCAR will provide a tool for analysis of quantitative and qualitative data related to LLSAP operations and member libraries, with a focus on supporting library assessment of the affordability and sustainability of LLSAP membership, and includes the data submitted via this application in addition to data from other standard sources such as IPLAR. The data points collected for RAILCAR may vary from year to year as analysis is completed and potential changes identified. Please complete the form at https://railslibraries.org/form/railcar_fy26, including the two spreadsheets linked within the form (described below). You may save a draft of a partially complete form and return to finish and submit it later if needed.

[zILLANE Report for FY2024 and Additional Member Library Data \(Spreadsheet\)](#)

The zILLANE report was originally commissioned by the Illinois State Library to help identify strategies for enhancing resource sharing in Illinois. In addition to providing some of the data required for the calculation of grant awards, it also contains useful information that supports RAILS work with and understanding of LLSAPs. Please ensure you complete the information requested in all tabs of the template, and that you use actual expenditures rather than budgeted amounts for the financial information. This spreadsheet also includes tabs for member library information that now includes a prepopulated list of member libraries. Please review and make any necessary updates. Please note the Instructions tab, and complete all other tabs as directed.

[LLSAP-Coordinated Group Purchases and Discounts \(Spreadsheet\)](#)

The purpose for collecting this information is to gain understanding of the existing deals in the LLSAP landscape and, when appropriate, to compare and support existing deals for the benefit of all organizations. The spreadsheet will contain a copy of the entries from the previous years RAILCAR submission. Please add and remove deals as needed. Collection Budget

All operating expenditures for print, electronic, and other materials, including: books, current serial subscriptions, print and digital government documents, any other print acquisitions, ebooks, audio and video downloadables, e-serials including journals, databases, microform, CDs, DVDs, video games, maps, and materials in new and other formats. We recognize it can be challenging to collect this data for schools. Please use the most current number they are able to provide.

Interlibrary Loan

Checkouts, including renewals, resulting from the process by which a library requests material from, or supplies material to, another library, whether inside or outside the consortium. With interlibrary loan, materials move between libraries. Report on the borrowing side of the transaction.

Reciprocal Borrowing

Checkouts, including renewals, resulting from the right of a person who holds a valid, in-good-standing library registration card from a full member public library to borrow materials on site from other library system full member public libraries, whether inside or outside the consortium. With reciprocal borrowing, patrons move between libraries.

Service Population

- Schools - total student enrollment
- Academics - total student enrollment
- Special - Full-time equivalent (FTE) employees who have access to the collection

Union List

A library that contributes its holdings to the database for resource sharing activities only. Patrons of the library are not included as part of the shared patron database, and the ILS is not used for circulation activities.

Use of RAILS Funds

While RAILS places no specific restrictions on how LLSAPs use the funding allocated to them, we expect that use will be in keeping with the LLSAP definition (p. 1) and LLSAP Requirements (p. 15), that it enhances the financial sustainability of the LLSAP, and that the LLSAP can demonstrate the benefit to the consortium or its member libraries. Please detail how your consortium plans to use RAILS financial support.

Services from RAILS

Core Services

All LLSAPs receive the following services from RAILS in addition to their funding allocation.

Meeting Rooms

1. RAILS shall provide use of meeting rooms at RAILS facilities to LLSAP, subject to availability; the general guidelines posted on the RAILS website; and any restrictions in access, capacity, and other factors that may arise in connection with public health or other issues. Access for advance scheduling and event management is provided via L2.

Communication and Collaboration

1. Coordination of opportunities for communication and collaboration among LLSAPs
2. Use of L2 (librarylearning.org) with an elevated level of permissions to create and manage events and directory data, as well as API access for event and directory data.

Grants for New Members

1. When funds are available, and subject to the application and award decision process, prospective new LLSAP members are eligible to apply for grant funding from RAILS covering the startup costs of membership. Funds are generally awarded directly to libraries, but in the case of a group migration, funding may be applied for by and awarded to the LLSAP.

Legacy Services

The services below are not available as new services. Some consortia will continue to receive these services in accordance with pre-existing agreements with RAILS and guided by their Financial Sustainability Plan. If your consortium currently receives any of these services, please select the services you wish to continue receiving from RAILS in FY2026.

RAILS will deduct the costs of providing the following services from your total allocation, and will provide estimated costs when making your grant award.

☐ Delivery Services to LLSAP Facility

RAILS can provide delivery service up to five days per week to LLSAP headquarters if not located in a RAILS member library, within an approximately two-hour window to be determined by RAILS. LLSAP must provide access for delivery staff, including a key and alarm code access, if delivery times are outside of LLSAP's normal business hours.

☐ Financial Services

RAILS shall provide accounting services (billing, accounts payable, accounts receivable, reports, and financial statements) following the RAILS chart of accounts and the Uniform Accounting and Reporting Manual for Illinois Library Systems. The accounting services include, but are not limited to, the following:

1. Billing LLSAP member libraries for fees, purchases, credits, and services provided by the LLSAP to its member libraries.
2. Processing vendor invoices and payments.
3. Financial reconciliations and the provision of financial information for board packets, actuarial valuations, insurance audits and renewals, tax forms, eCommerce, or other business purposes.
4. Audit support, including providing the chosen auditor with requested documents and reports as well as reviewing financial statements and any auditor-proposed adjustments.
5. Supply information and assistance, as needed, for preparation of LLSAP draft and final budgets.
6. Provide banking assistance to include lock box establishment and administration, Positive Pay administration, as well as ACH transactions.

☐ Use of RAILS Facilities for Consortium Staff: IT Support

RAILS shall:

1. Provide support to Grantee staff for technical issues during RAILS business hours.
2. Manage, or contract to provide, hosted IT services and/or the data facility needed for self-hosted services, including uninterrupted power services, fire suppression system, cleaning, and security.
3. Maintain Internet connectivity and the Local Area Network ("LAN"), including network security.
4. Provide and maintain email services for Grantee help desk support and LLSAP staff, including protection against spam.
5. Provide hardware and software for all staff who perform services for the ILS, including the operating system and all required office applications.
6. Provide printer and copier equipment and support.
7. Provide remote telecommuting access for staff to the RAILS network.

☐ Use of RAILS Facilities for Consortium Staff: Facility

Please note that RAILS will contract with service providers for rent, utilities, and telecommunications for the entire facility. We will then calculate Grantee's share of these costs and deduct that amount from the total allocation. Grantee will be responsible for procuring and paying for office supplies and postage.

RAILS shall:

1. House the equipment and staff.
2. When needed to provide member support or technical support, allow Grantee staff access to RAILS facilities outside of normal business hours and on holidays.
3. Contract for utilities such as electricity, gas, and water.
4. Contract for and manage facility telecommunications, including but not limited to data lines, video conferencing, facility phones, phone system support contracts, and phone equipment.
5. In the event that the existing facility becomes unavailable, assume all costs associated with Grantee's relocation to a different facility selected by RAILS, including but not limited to moving, acquiring furniture, network infrastructure, space planning, and moving consultation. When possible, RAILS will provide at least 120 days written notice to Grantee prior to any relocation.

☐ Consortium Staffed by RAILS Employees, Including the Use of RAILS Vehicles

RAILS shall:

1. Give the LLSAP Services Manager supervisory authority for staff assigned to Grantee.
2. Give the LLSAP Services Manager the authority to develop and recommend support staffing levels, recommend new hires, and make staff assignments within the Grantee's service area.
3. Give Grantee's Board of Directors right of approval for the person selected to be the LLSAP Services Manager. If Grantee's Board of Directors determines that the performance of the LLSAP Services Manager is not satisfactory, it may request that RAILS remove him/her from the position, but RAILS will have final decision-making authority.
4. Provide adequate staffing to complete the services provided for in this Agreement and to provide prompt, efficient and responsive service to Grantee members during the hours and days determined by Grantee. RAILS will pay for all employer portions of salaries and associated taxes, retirement, health, dental, life and vision insurance.
5. Provide Human Resources support, including talent recruitment, benefits administration, employee relations, performance management, training and development, workers compensation, leave of absence administration, HRIS data management and payroll administration.
6. Provide access to system vehicles for in-state LLSAP-related travel for RAILS staff assigned to Grantee. Travel reimbursement by RAILS may be substituted when system vehicles are unavailable.

Use this space, or a separate attached document, to describe any plans you have to transition these services away from RAILS operations and provide them independently, or if your planned use of these services during FY2026 will differ significantly from the descriptions

☐ Agreement to LLSAP Requirements

Use the checkbox to indicate your agreement to the LLSAP requirements. These requirements will be included in the RAILS LLSAP support grant agreement.

1. Work with RAILS and other LLSAPs to:
 - a. Ensure the ability of all LLSAPs to meet the needs of their members.
 - b. Increase the prevalence of automation and the use of shared bibliographic catalogs by RAILS members by actively participating in marketing and other efforts.

2. Provide feedback on and participate in LLSAP strategic and long-range planning with RAILS.
3. Provide feedback on RAILS decision making on issues that affect the LLSAPs.

5. Comply with all RAILS and Illinois State Library reporting requirements resulting from its designation as a Local Library System Automation Program, such as annual grant reports and information for the Illinois State Library annual system report.
6. Actively participate in collaborative projects among consortia and/or with RAILS.
7. Be willing to cooperate in providing technical support that enables member library participation in eRead Illinois, Find More Illinois, Explore More Illinois, and/or other RAILS projects and group purchases that require ILS interoperability.
8. Adhere to any procedures and communication practices that may apply to the creation of or edits to specific items in L2, as well as all terms, conditions, limitations, and obligations regarding the use of data that are set forth in the L2 Privacy Policy (<https://librarylearning.org/privacy-policy>)
9. Be open to new members, and work to keep membership affordable.
10. Support members whose primary service point is within the RAILS service area (Although non-RAILS members may belong to an LLSAP, they will not be included in allocation of RAILS support).
11. Govern itself in accordance with its bylaws.
12. Develop service policies and provide operational guidance.
13. Arrange and pay for the annual audit of funds held in LLSAP's bank accounts.

Cafeteria Options for Member Services

If fewer than 33% of fully participating members are using a service then it is considered a cafeteria option and not included in the full PRAIRIECAT budget unless the service benefits PRAIRIECAT as a whole. (i.e. Acquisitions)

FY16 PRAIRIECAT Cafeteria Options: Express Lane

Approved by the Delegates Assembly, 1/25/2012

Developing Collections

PRAIRIECAT libraries are permitted to add a new type of collection to their library and restrict that collection to local holds only for a period up to one year, to be opened up to the whole consortium for holds after that point. It must be a "new to the library" type of material. The maximum of one year is applicable if at least 25% of member libraries purchase that type of material. If fewer than 25% of libraries purchase that type of material, owning libraries may keep the materials as a developing collection until 25% of libraries have it.

Approved by the Delegates Assembly on 10/26/2011

Ecommerce Payment & Refund Policy

These Payment Terms apply to payments you make to PRAIRIECAT.

By using PRAIRIECAT Ecommerce services, you agree to pay all charges in effect at that time for the fees or services you buy, along with all applicable taxes and other fees. You authorize PRAIRIECAT to charge your Payment Method for your initial transaction, as well as any future transaction.

If we are unable to charge your Payment Method (for example, because your credit card has expired), you are still responsible for paying us. All ECommerce fees are non-refundable. All amounts are to be paid in US Dollars.

Refunds of Ecommerce Payments

PRAIRIECAT will not issue refunds for any payments made through Ecommerce. Any user who believes they are entitled to a refund should contact their home library to discuss the issue.

Chargeback of Ecommerce Payments

Chargebacks occur when a cardholder asks their bank to reverse a transaction. PRAIRIECAT will not dispute chargebacks of Ecommerce payments. PrairieCat will accept the chargeback, notify the member library, and direct the member library to discuss the issue with the cardholder. PrairieCat will deduct the chargeback from the ecommerce pay-out in which the chargeback occurred.

VI. Investments

- A. The objective is to invest all funds under PRAIRIECAT's control in a manner that will provide the highest investment return using authorized instruments, while meeting the consortium's daily cash flow demands and in conformance with the Illinois Public Funds Investment Act (30 ILCS 235/2.5). In selecting financial institutions and investment instruments to be used, the following general objectives should be considered:
 - 1. **Safety:** Investments shall be undertaken in a manner that seeks to ensure the preservation of capital.
 - 2. **Maintenance of sufficient liquidity to meet current obligations:** In general, investments should be managed to meet liquidity needs for the current month plus one month (based on forecasted needs).

Such individuals shall disclose any material financial interests in financial institutions with which PRAIRIECAT conducts business. They shall further disclose any personal financial/investment positions that could be related to the performance of the investment portfolio.

VII. Funds and Net Position

PRAIRIECAT's financial accounting shall consist of one fund which shall operate on a July 1st through June 30th fiscal year. This fund is detailed in the annual budget. A report of this fund's year-to-date and previous-month activities shall be presented to the Administrative Council at each month's meeting. The assets within that fund are divided into designated and undesignated assets:

- A. Undesignated funds - the purpose is to provide the fiscal structure required to conduct the day-to-day operations of PRAIRIECAT. Undesignated funds are to be maintained in a checking account in such amount as is required to meet expenditure demands. Funds may be deposited in an interest-bearing account in such manner as to gain the maximum possible financial benefit while maintaining emergency access to those funds. Investment income shall be reinvested. Any amounts in excess of 12 months operating expenses will be designated for the general fund. This amount may be re-designated for other purposes at the discretion of the governing board.

A portion of each PRAIRIECAT member's annual fees are specifically earmarked as designated for future reserve expenditure contributions. In addition, each new PRAIRIECAT member is required to make an initial contribution designated for future reserves expenditures, as specified in Appendix A of this manual.
- C. Net Position - it is the goal of PRAIRIECAT to maintain an operating fund in an amount of no less than 25% of annual General Fund operating expenditures at all times. Any fiscal-

year-end funds budgeted but not expended above the amount of budgeted reserves shall be added to the balance of undesignated funds to be used for future operating expenses.

- AUDIO BOOK ON CD, NEW (will be moved to AUDIO BOOK)
- BOOK, LARGE PRINT, NEW (will be moved to BOOK, LARGE PRINT)
- BOOK, NEW (will be moved to BOOK)

Use of Browse-NH

Any items that are new to your library may be put in a Browse- NH (no holds) item type for three months. After 15 weeks, they will be moved automatically to a system wide holdable item type.

Browse-LH clarification:

Browse-LH (local hold) is for an older collection of items that need to be holdable locally for a period not to exceed 4 months. This may not be piggybacked with “NEW”. These items will not be moved automatically. PC contract staff will run a report quarterly to make sure libraries are following the rule.

Options For Copying / Extracting / Deleting Records For Withdrawing Libraries

Section 19 of the PRAIRIECAT Intergovernmental Agreement provides, "If the Member terminates the Agreement, the Member shall pay all costs incurred by PRAIRIECAT due to the Member's decision to leave PRAIRIECAT, including all work performed by PRAIRIECAT employees or agents after the termination of the Agreement."

Options and costs for withdrawal will vary library by library, depending on the extent and complexity of your usage of PRAIRIECAT modules, the total number of records, including but not limited to user, bibliographic, item, circulation, serials control and on order records your library has, and which information you request to port to a new system. Any library beginning their planning to withdraw from PRAIRIECAT should contact staff to discuss viable options and obtain cost estimates.

There may be costs by the current ILS vendor to copy, extract or delete information outside the scope of PRAIRIECAT contract staff expertise or control.

PRAIRIECAT reserves the right to refuse to perform the copy / extraction / deletion when the vendor prohibits it, PRAIRIECAT does not have sufficient staff to do the work, or it is outside the expertise of staff.

For copying / extraction / deleting records by a third party vendor including the current ILS vendor, the vendor must work closely with PRAIRIECAT contract staff. All vendor costs including any collateral damage due to vendor access to PRAIRIECAT will be paid by the withdrawing library.

100% of the estimated fees will be due and paid before copying / extraction / deletion begins. A refund will be made by PRAIRIECAT if actual fees are less than the estimate.

The following questions will begin to determine the extent of the information to be copied / extracted:

Does the library need bibliographic records?	_____ yes	_____ no
Does the library need item records?	_____ yes	_____ no
Does the library need user records?	_____ yes	_____ no
Does the library need circulation data?	_____ yes	_____ no
Does the library need bill information?	_____ yes	_____ no
Does the library need acquisitions data?	_____ yes	_____ no
Does the library need serials control data?	_____ yes	_____ no
Does the library need authority records?	_____ yes	_____ no
Does the library need outreach records?	_____ yes	_____ no
Does the library need booking records?	_____ yes	_____ no

Contact Judy Hutchinson at judy.hutchinson@railslibraries.info, or John Slanicky at john.slanicky@railslibraries.info or at 877-542-7257 to begin the conversation about your library's withdrawal.

Resource Sharing Vision

It is the responsibility of individual libraries to provide sufficient materials for their patron *needs*, and contribute to a well-rounded collection for patron *wants* in our consortium.

Approved by the Delegates Assembly on 12/15/2011

PrairieCat Resource Sharing Exemptions

PrairieCat member libraries are encouraged to loan materials to other PrairieCat libraries as freely as possible. However, there are some materials that may need to exempt from loaning due to various factors. The following list is provided to guide member libraries and PrairieCat staff in judging if material can be exempt from sharing. This list will be reviewed as needed by the PrairieCat Resource Sharing Committee. A library can choose to loan materials that otherwise might fit one of these criteria. If your library has material that you cannot share that meets one of these criteria, the loan rules for your library **MUST** be set in PrairieCat to disallow systemwide holds, so that patrons are not able to place holds when the material is not actually going to be loaned.

Criteria for gauging what is exempt from PrairieCat loan rules for system borrowing:

1. Non-circulating locally

Examples: Reference materials, local history materials, journals

2. Higher than usual replacement value

Examples: projectors, laptops, other technological equipment, artwork

3. Rarity

Examples: signed editions, genealogy, cake pans

4. Fragile, heavy or hard to transport via delivery (more than 40 pounds is the RAILS delivery limit)

Examples: fishing poles, sewing machines, dolls, microscopes

5. Complexity/number of "pieces"

Examples: STEM Kits, general kits, games

6. Subscription or special use policies in place

Examples: Hotspots, museum passes

7. Fits Developing Collections policy (under 25% adoption across consortium of new material type)*

*If the 25% adoption rate is surpassed, analysis of material type with the rest of the criteria should be considered in order to ascertain exemption from loan rules.

Social Media Policy

Philosophy & Purpose

PrairieCat wishes to encourage dialogue and new learning opportunities with the membership it serves using various web tools. PrairieCat has established social media sites to inform members and other interested parties about PrairieCat events, member events and concerns, and items of general interest to membership and the library profession. By doing so, we hope to encourage dialogue and the exchange of information and knowledge between members and PrairieCat staff. PrairieCat's social media sites may also be used to notify the public of consortium or library system (RAILS) employment opportunities or other system-wide or consortium-wide announcements.

PrairieCat's social media sites are not intended to be traditional public forums for the general exchange of ideas and viewpoints, but instead a limited forum for discussing event and other topics of relevance to PrairieCat membership. The Supreme Court of the United States has defined a "designated public forum" as a forum set aside by government for expressive activities.

Courts have recognized that libraries are limited public forums and as such are only obligated to allow the public to exercise rights that fit with the purposes of the library. All postings related to library programs, events and materials are permitted, except as otherwise stated in this policy.

This policy governs the use of social media in three areas:

- 1) Public Use**
- 2) Employee Use**
- 3) Publication of Comments on Social Media**

For the purposes of this policy, professional use constitutes an employee who has been given the authority to use the official PrairieCat social media accounts to post content and/or comments using the PrairieCat name and logo. Social media means any forum for online publication and commentary, including blogs, wikis, and social networking sites such as Facebook, X (formerly Twitter), YouTube, etc.

I. Public use

The consortium is not responsible for or liable for the content of postings by third parties on any consortium sponsored social media site and all postings unless specifically designated otherwise do not reflect opinions or positions of PrairieCat, its employees, or members.

By posting on PrairieCat's social media sites, users grant permission to use their name, profile picture, and the content of any postings or comment they make without any compensation to the individual who made the post or liability on the part of the consortium. This permission only ends if the user who made the post deletes their post.

II. Employee use

Employees who engage in social networking sites such as Facebook, X (formerly Twitter), blogs, or wikis for personal use must do so on their own time. If an employee is speaking about a PrairieCat related issue on their personal social networking site, the employee must identify that they are speaking as an individual and not on behalf of PrairieCat. Employees may be subject to discipline if their comments are determined to be inappropriate by PrairieCat administration, as allowed by law.

The library recognizes that the First Amendment protects a public employee's right, in some circumstances. However, keep in mind that when a public employee makes a statement on a

social media site, the employee may not be speaking about a matter protected by the First Amendment. In some cases, it may be difficult to distinguish between protected and unprotected speech, so each situation must be evaluated on a case-by-case basis.

Employees may participate in social media sites while on work time if they have an authorized business need and it is approved by the PrairieCat Director or designee. Employees must be aware that information they display or comments they make on PrairieCat social media sites may be viewed by other users as representing official PrairieCat sponsored information or comments.

Patron privacy extends to social media. Avoid revealing any information about circulation records or registration records in all circumstances. Avoid using names or other identifying information if discussing patrons on social media.

Be advised that content or posts on PrairieCat social networking sites that relate to PrairieCat business may be a public record subject to disclosure under the Freedom of Information Act and retention under state records retention laws.

Authority to Post using PrairieCat Name and Logo

PrairieCat's Director and designees can directly publish or comment via social media using the PrairieCat name and logo. Any other employee must obtain the permission of the Director and their supervisor before engaging in work related social media. Only with permission of the Director or designee can other staff publish or comment using the PrairieCat name and logo.

III. Comments on social media

Publication and commentary on social media carry similar obligations to any other kind of publication or commentary. PrairieCat wishes to encourage dialogue with our community and will allow any comment that is appropriate. However, we do reserve the right to delete comments from any user at any time, within its discretion. PrairieCat also reserves the right to ban or block users who have posted in violation of this policy. This would only be done in good faith to protect our readers from comments that include, but are not limited to, the following:

- Advertisements
- Spam
- Postings which contain obscene matter
- Postings which are disparaging, harassing, abusive, profane or offensive
- Hateful, threatening, or pornographic postings which contain graphic or gratuitous violence
- Potentially libelous or defamatory postings
- Postings which contain privileged, proprietary, or confidential information about any person, business, or entity, including, without limitation, patrons, vendors, PrairieCat or PrairieCat members or partners
- Postings which violate or potentially violate local, state or federal laws, including, without limitation, intellectual property and copyright laws.
- Postings which discriminate based on race, color, religion, national origin, sex, gender identity, handicap, age, sexual orientation, creed, or ancestry.
- Postings which are sexually harassing including, without limitation, epithets, slurs, negative stereotyping, sexual rumors that show hostility towards individuals based on gender, derogatory comments about individuals' body or appearance, unwelcome sexual complements, innuendos, suggestions or jokes.
- Postings that contain any imminent or true threats against PrairieCat, staff, or other users such as member libraries

- Postings that contain content in support of or opposition to political campaigns or ballot measures

As appropriate, comments will be professionally, respectfully and promptly addressed by the Director or designee. If the Director or designee is unable to provide an independent answer, the necessary parties will be consulted as soon as possible to aid in providing an accurate and timely answer.

Strategic Plan FY25-FY27

Introduction & Background

PrairieCat is an integrated library automation system serving 138 multi-type library members of the Reaching Across Illinois Library System (RAILS) across 22 counties in northern Illinois. Founded in 2010 as a legal entity, PrairieCat contracts with RAILS libraries to provide automation of resource sharing through a shared catalog. This online catalog contains records for over 1 million library materials and provides seamless access to member libraries and their patrons for circulation of items, inventory and holds management, and access to patron accounts. Three PrairieCat membership levels are provided to accommodate libraries of all types and sizes: Fully Participating, Basic Online, and Union List. PrairieCat currently has 12 full time staff that support member libraries.

This plan represents the overall strategy for PrairieCat over the next three years and is presented to the Delegates Assembly for approval in April, 2025. Upon approval, PrairieCat staff will finalize an activity plan to support the overall strategy and evolve while working toward goals. Staff will regularly review progress toward meeting plan goals using an evaluation framework and report to the Administrative Council on a regular basis.

The planning process was inclusive and affirmed that PrairieCat is on the right path with this refreshed strategic plan. PrairieCat remains committed to their membership and their core services. PrairieCat is excited about the focus this plan will bring through 2027. We hope this plan inspires growth and innovation during the next three years that lead to increased member connectivity and growth.

The Planning Team included:

- Carolyn Coulter, PrairieCat
- Chelsey Knippel, PrairieCat
- Beth Ryan, Johnsburg Public Library
- Elizabeth Smith, PrairieCat
- Jenna Diedrich, Galena Public Library

The Planning Team met during the strategic planning to ensure momentum and give input on various aspects of the process. The Planning Team and the Administrative Council both played a vital role in developing the final plan documents.

Planning Process & Data Highlights

To create a cohesive, actionable plan, the Planning Team reviewed the progress towards previous plan goals, conducted a survey of member libraries, surveyed our standing groups and committees, and held a planning session with staff. The survey was key for understanding current member training needs, thoughts about PrairieCat leadership, governance, and culture, and overall member satisfaction.

The survey was completed by 80 consortium members. 87.5% of participants represented public library members, and 82.5% represented libraries that are full participants in PrairieCat's services. 51.25% of respondents were directors, the remainder of respondents being from various positions within the libraries.

At the September in-person staff meeting, staff reviewed the current strategic directions and goals. Staff focused on possible revised activities to achieve the plan goals, and the most popular ideas were compiled. Using these activity ideas, members of PrairieCat committees were surveyed to rank suggestions, as well as suggest new activities for goals that they had.

Results from the staff and committee surveys were combined with the results from the member survey. Ideas/activities were then ranked, and a new strategic plan was formulated. The Strategic Planning team then reviewed the new plan and passed it on to Administrative Council for approval.

Vision

To satisfy individual and library needs through equitably shared resources.

Our vision remains unchanged and states our commitment to resource sharing through our members.

Mission

We engage members in sharing resources effectively and equitably, expanding the quality and quantity of information accessible to our library users.

Our mission is how we carry out our work to achieve our vision. The vision and mission statements work in tandem to reinforce our core message and strategic directions. Our mission simplifies our work to communicate the focus of our operations.

Strategic Directions

This plan is divided into four strategic directions:

Engagement / Governance / Training / End User Experience

During all information gathering regardless of format, the emphasis has been on key ways PrairieCat should move forward to prioritize and improve member engagement, overall governance, training for members, and the user experiences of both libraries and their end users. Key learning from these discussions include:

- Creating meaningful connections between PrairieCat and member libraries as well as between members themselves is a continued priority.
- Deepening the understanding of the services PrairieCat offers all stakeholders both virtually and in-person will help the organization grow, while transparency and responsiveness of leadership will guide the organization to more sustainable and independent operations.
- Expanded training opportunities for members will provide library staff with skills that improve their patrons' end user experiences both within the library and virtually through web and mobile interfaces.

Goals, Activities, Measures

The following graphic summarizes the strategic plan, followed by additional detail for each strategic direction, including potential activities for each goal and possible metrics. PrairieCat staff will draft the activity plan that will serve as an implementation guide. Regular activity updates will be presented at future Administrative Council and Delegates Assembly meetings.
