ROI — Coal City PLD

PrairieCat assists members in the successful sharing of resources and services, expanding the quality and quantity of information accessible to our library users.

At its very core, PrairieCat exists to provide an integrated library system (ILS) to members. Having a central ILS provides efficiencies to 136 member libraries.

**Support**

- 12 PrairieCat staff

FY19 Return on Investment
Connecting Libraries to Strengthen Communities

**Training**  |  PrairieCat is committed to providing regular and effective training opportunities.

**PrairieCat Totals:**
- Classes: 127
- Attendees: 795
- Contact Hours: 2,086

**Coal City PLD Totals:**
- Attendees: 5
- Contact Hours: 15

PrairieCat offers 12 different training classes for member library staff. Class offerings range from basic classes Sierra Essentials and Encore Basics to advanced classes Sierra Create Lists and Sierra Acquisitions. Classes are regularly scheduled and also available in-person, online, and on-demand. Through PrairieCat’s Talent LMS site, members can take classes 24/7 365 days a year at their own pace.

**User Experience**  |  PrairieCat commits to excellence in serving our end users.

Syndetics Unbound — Syndetics Unbound was implemented as a replacement for Novelist Select, to provide enriched catalog content such as series list and author information.

iTiva Phone Notification System — Upgraded and improved phone notification systems were installed in FY19. These systems enable patrons to call and check holds status, and also receive calls when materials are available or coming due.

Website Redesign Project — The new PrairieCat website, which provides a simpler interface and much better organization launched in FY19.

User Experience Committee — The UX Committee began reviewing vendors for a mobile application.

Logo Project — Members voted and chose a new PrairieCat logo in November 2018. PrairieCat staff worked with the logo designer to put together a brand manual and updated PrairieCat materials with the new logo.

Service Improvements — PrairieCat moved its production servers to a hosted environment through the AWS cloud. This change has provided a more stable environment with improved uptime and redundancy.

**Governance**  |  PrairieCat provides leadership that is transparent, responsive, innovative, and accountable.

Delegates Assembly: 98% member participation

FY20 Administrative Council and Standing Committees Election: 57% member participation

Membership Changes: Byron Public School District joined as a Union Listing member. The former 8 NIC consortium libraries joined as Fully Participating members, adding an additional 235,000 unique titles and 927,000 new items to the PrairieCat catalog.

Staffing — Twelve staff directly support PrairieCat’s 136 libraries that are located in 14,000 square miles across northern Illinois.
