Options For Copying / Extracting / Deleting Records For Withdrawing Libraries

Section 19 of the PRAIRIECAT Intergovernmental Agreement provides, "If the Member terminates the Agreement, the Member shall pay all costs incurred by PRAIRIECAT due to the Member's decision to leave PRAIRIECAT, including all work performed by PRAIRIECAT employees or agents after the termination of the Agreement."

Options and costs for withdrawal will vary library by library, depending on the extent and complexity of your usage of PRAIRIECAT modules, the total number of records, including but not limited to user, bibliographic, item, circulation, serials control and on order records your library has, and which information you request to port to a new system. Any library beginning their planning to withdraw from PRAIRIECAT should contact staff to discuss viable options and obtain cost estimates.

There may be costs by the current ILS vendor to copy, extract or delete information outside the scope of PRAIRIECAT contract staff expertise or control.

PRAIRIECAT reserves the right to refuse to perform the copy / extraction / deletion when the vendor prohibits it, PRAIRIECAT does not have sufficient staff to do the work, or it is outside the expertise of staff.

For copying / extraction / deleting records by a third party vendor including the current ILS vendor, the vendor must work closely with PRAIRIECAT contract staff. All vendor costs including any collateral damage due to vendor access to PRAIRIECAT will be paid by the withdrawing library.

100% of the estimated fees will be due and paid before copying / extraction / deletion begins. A refund will be made by PRAIRIECAT if actual fees are less than the estimate.

The following questions will begin to determine the extent of the information to be copied / extracted:

Does the library need bibliographic records?	_____ yes	_____ no
Does the library need item records?	_____ yes	_____ no
Does the library need user records?	_____ yes	_____ no
Does the library need circulation data?	_____ yes	_____ no
Does the library need bill information?	_____ yes	_____ no
Does the library need acquisitions data?	_____ yes	_____ no
Does the library need serials control data?	_____ yes	_____ no
Does the library need authority records?	_____ yes	_____ no
